## 20 GREAT YEARS!

Dear Friends and Fellow Hunters,

I hope this letter finds everyone in high spirits and good health. This is Magnum's 20<sup>th</sup> year in business and every year surpasses the last! As always, we want to thank all of our friends and hunters for helping make Magnum a success.

2005 Spring turkey season has come to a close here at Magnum. WOW, our hunters harvested over 200 gobblers, what a season! By the vast number of

jakes we saw this year we are anticipating an unbelievable season in 2006!

Our focus is currently turned toward the 2005 whitetail season. Last year was Magnum's best whitetail season yet and it's only going to get better! During the 2004 season, countless 140 and 130 class deer were taken. There were four bucks that scored in the 150's and two in the 160's. Congratulations to Terry Strickland who raised the bar when he harvested Magnum's largest whitetail. The buck's outstanding 13 points scored 175 5/8.

Since we are ahead for the year on our rainfall,

Brian Anthony with his massive 11 pt that scored 166.

the pastures are already covered with luscious green grass. As usual, our sanctuary feeders are full of top quality protein and our deer are fattening up!

## THROUGH OUR CLIENTS EYES

“Thanks Jim and Melony, James, and Koby.

For anyone interested in Trophy whitetail deer hunting, Magnum Guide Service is the booking to make.

The trophy management practices you are using on the ranches are working very well. I have never seen quality bucks in such large numbers anywhere else I have hunted. I would gladly recommend your services to anyone. Thanks again for the, "Ninth inning nine pointer". He will be a favorite memory of mine for the rest of my life.”

“Just a short note to say thank you again for a wonderful MGS hunt and outdoor adventure.

Everything was superb, first class and your operation is the best!! I especially want to thank

Koby, Wayne and the other guides for all they did for us. You truly have “the best” people working for you. They really try hard to make sure we were taken care of and had good hunting opportunities with a number of deer to see. Melony, what can I say, the food was the best ever and plenty of it. Thanks to “Mom” too for all her help. Can’t wait to get my deer home this summer to Florida.

Damuth Taxidermy does great work and I’m sure he will look super on my wall. Have a great holiday season! Thank you.”
