"We really enjoyed our time at the ranch. It was a more relaxed

setting than we had pictured. You both made us feel right at home.

Don't know what we were expecting, but it was nice to know that you are really down to earth people and we thank you for that."

"This was a great hunting year for me thanks to all of you. A nice gobbler this spring, then a 16 inch New Mexico antelope, only exceeded by the 13 inch muledeer in West Texas.

I appreciate Magnum Guide Service for all it stands for and does. Only the best!"

Dr. David Frederick,
Lititz, PA

Our New Mexico trophy antelope hunts are affordably priced at only \$2,250.00. Our hunters have enjoyed almost 100% success for nine consecutive years on many outstanding bucks.

Our 50,000 private acres of adjoining ranches have two comfortable lodges that offer our hunters a restful stay and quick access to great hunting. With our private landowner permits our

"Just a note to let you know my husband and son have talked of nothing else but the good time they had on their spring turkey hunt in Texas! This was Barry's graduation present and they both thoroughly

enjoyed it. Their talk about the hunt is sprinkled with as much admiration of Gerald's cooking as it is with their great hunting experience. Thanks to Bobby, Donnie and Gerald for taking care of my men so well.

Thanks for helping us give Barry a great graduation present!"

Cindi Baxter,
Hohenwald, TN

"I wanted to thank you folks for my third straight season of great hunting experiences. As always, the food, accommodations, guiding and above all the hunting were top-notch.

Your hospitality and camaraderie made them doubly enjoyable. The hard

work and care you put into your outfit really shows and you can count on my coming back next season."

Peter Schorn,
Ft. Worth, TX

"I want to thank you for the really great Wyoming muledeer hunt. John's cabin was very nice and one could not have asked for a more gracious host. It was amazing to see all the deer, antelope and elk on the ranch. I have hunted twice in Colorado and the number and quality of elk on John's ranch is far superior than I have ever seen before. I will never forget the night that Doc Bohmfalk was stalking his elk in the middle of 150 elk, when a monster stepped out of the woods and showed off his magnificent antlers. Although the sighting was brief, it was a sight I will never forget. The hunt with you and Melony was filled with memories that I will always cherish."

Gary Killian,
Metairie, LA

Wyoming

Our Wyoming hunters have enjoyed 100% success on trophy class antelope and with the exception of two hunters, 100% success on all muledeer and elk hunts for nine years.

The secret to our success is private land accessible to only our hunters, low elevations easily traversed by 4x4 trucks and 4-wheel drive four-wheelers, and light hunting pressure for only mature animals. Hunters may hunt a single species or for a mixed bag.

Our lodge upon the ranch offers a cozy place to stay while enjoying the finest in home cooked meals and fresh baked pies. Our skilled staff of guides is experienced at bugling in bull elk and spotting big muledeer bucks bedded at great distances.

Combining all of this with the beautiful Big Horn Mountains make these hunts an excellent choice. Please visit our website or give us a call for recent references.

We hope to see you this fall!
